

IRONWORKS GOLF ACADEMY

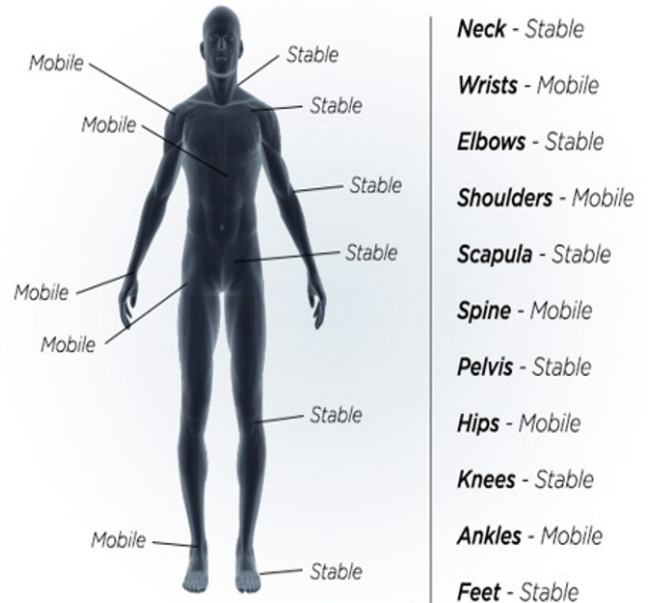

TPI ACCELERATOR

Accelerate your improvement in our TPI Accelerator. Within a half-day with TPI Accelerator you will be immersed in performance assessments (swing, fitness, ball flight) using state-of-the-art technology, swing instruction, speed training, golf fitness program, and ball flight optimization. By the end of the TPI Accelerator you will have learned your areas of improvement, how to train for long-term retention, and gained club speed guaranteed! This is a private game improvement experience like nothing you've ever done before. Accelerate your game improvement today!
